Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

The non-final rejection ( paper no. 22 ) mailed on March 18, 2003 is being withdrawn and the office action is being vacated now. This action was necessitated due to an error on the examiner's part since the cited reference ( U.S. 2001/0049450 ) was not a prior art reference under 35 U.S.C. 102(e). The effective filing date of this cited patent was 04/02/2001 and not 05/02/2000 ( Foreign priority document ) whereas the filing date of the instant application is 12/05/2000.
